Break Record Attendance

Exposition of 1951 Attracted 436,062; Rain Cut Sunday Crowds

The 1951 Missouri State Fair, nine day exposition, ended Sunday with a record attendance of 436,062, compared with 360,021 for the eight day exposition of 1950. The fair program Sunday which was Aviation Day, was highlighted by the exhibition flight of more than 50 United States Navy aircraft from the U. S. Naval Air Base at Olathe, Kas., about 1:20 p.m.

The daily attendance at the fair for this year compared with that of corresponding days for 1950 and is shown in the table below. It will be noted the fair this year had an extra day, the opening Saturday, giving a nine-day exposition compared to eight days in 1950.

	1950	1951
Sat.	none	20,493
Sun.	71,629	83,710
Mon.	27,638	32,350
Tue.	41,195	46,240
Wed.	53,729	68,791
Thurs.	62,062	69,452
Fri.	26,557	29,214
Sat.	38,061	49,462
Sun.	39,099	36,350
Total	360,021	436,062
Increase		76,041

It will be noted the only day to fall under an increase was the final Sunday when 1950 had 39,099 and this year it was 49,462. Both years rain fell on Sunday, but this year, rain began falling shortly after midnight Sunday morning and continued throughout the day.

The flight of dive bombers, fighter planes and other naval craft made three "passes" at the fair grounds, several of the planes making test dives at the infield of the race track. Thousands of people in the grandstand as well as those on the ground were thrilled by the brief "air show."

After making their appearance in Sedalia, the formation then headed to the east coast, it was reported.

Stock Car Races
A stock car racing which was scheduled for the afternoon turned into a mud grueling grind for the 25 drivers. The race first scheduled for 100 miles was cut to 25 miles because of the heavy mud track, and it became an endurance drive rather than a race. It was won by "Chug" Montgomery of Lebanon, Mo., in his 1951 Oldsmobile 88.

Sunday night the Jole Chitwood thrill show with its daredevil drivers furnished the entertainment on the race track in front of the grandstand. Several thousand saw this show.

Following the thrill show the crowd moved down to the Cettlin-Wilson shows, when it began dispersing, but not before a good number walked the long midway to see the final performance of the Raynell Show starring Miss Sally Rand and comedian "Zoo" Brown.

Set Attendance Record
"Although we didn't hit the 500,000 mark in attendance," Secretary-Manager W. E. "Bill" Preston said today, "we came mighty close and it sets a record for the fair. The figure for 1951 gives us something to 'shoot at' for our Golden Anniversary."

"The people of Missouri gave every indication they want a bigger and better State Fair, and we have heard nothing but praises over the 1951 exposition. I am hoping to increase every department next year in the agricultural, livestock, and so forth and make Missouri's fair the biggest Agriculture and Educational exposition in the country," Mr. Preston said.

Discussing the fair, Robert Thornburg, Commissioner of Agriculture said, "This was Mr. Preston's first year as Secretary in complete charge and he has done a marvelous job. I have heard nothing but compliments on the fair, the exhibits of the various departments, the horse show, Grand Circuit Races, entertainment and so on. The grounds haven't looked better for the fair than they did this year, and buildings were improved and much more work on these will be accomplished this year."

"In 1952, the Missouri State Fair Golden Anniversary, who be and we expect it to be a 'Little World's Fair' as it marks the fiftieth showing of the Missouri exposition. Work has already been started to increase various departments in an endeavor to reach every Missourian as it is their State Fair."

"I do want to take this opportunity to thank everyone for their wonderful cooperation with Mr. Preston and the Department of Agriculture this year," Mr. Thornburg concluded.

Bands at Fair
Two high school bands which appeared at the fair last week were those of the Wheatland and the Versailles high schools. These two bands played on the grounds Saturday. Both bands played on the grounds and gave concerts. They played a joint concert at the Administration building that

Third Mass Pardon Of War Criminals

TOKYO, Monday, Aug. 27—(AP)—The Japanese government today announced the third mass pardon of former military war criminals. It was approved by the occupation authority.

The group, slated for freedom, totaled 21,130. It included 361 colonels and 388 navy captains.

Intervention Sought in Copper Strike

Production Cut In Mines, Mills And Plants

By the Associated Press

America's production of strategic copper dropped to a mere trickle today and President Truman was asked to step into a strike called by the International Union of Mine, Mill and Smelter Workers (I.M.M.S.W.).

Also halted was production of a considerable quantity of lead and zinc, important along with copper in the defense program. Mines, mills and other plants in at least 14 states were affected. The union estimated at least 58,000 workers were involved. More than 90 operating plants, 95 per cent of the nation's capacity from mine to final production line were involved.

Not all the men who left their jobs are members of the IUMMSW. Members of AFL craft unions rejected picket lines. But maintenance workers kept the mines ready for a quick reopening. Most office workers stayed on the job. The IUMMSW was expelled from the CIO last year along with others accused of following the Communist party line. Years ago it was one of the principal groups in the old Industrial Workers of the World (I.W.W.).

The strike hit the big four of the copper industry — Kennecott, Anaconda Copper Mining company, American Smelting and Refining company and Phelps-Dodge Corp. Also involved were the extensive lead and zinc operations in the rich Coeur d'Alene district of northern Idaho, and a number of other operations in the non-ferrous mining industry — which handles metals other than iron.

The union said it asked for a general wage increase of 20 cents an hour, plus pension and other benefits that would add about another ten cents per hour.

Current wage range from \$1.31 an hour for service laborers to \$1.62 for miners.

The Metal Trades Council (AFL) in the copper industry has a scale ranging from \$1.81 to \$1.85 per hour.

There was no immediate indication of Mr. Truman's attitude on the appeal from the union.

"I don't have anything on that at this moment," said Joseph Short, White House press secretary.

Headquarters of the union in Denver announced the appeal to the President early today when mediation talks broke up after a final 12-hour session in Washington.

Losses Life As Car Ramps A Tree
IRONTON, Mo., Aug. 27—(AP)—A car went out of control and rammed a tree near Ironton yesterday, killing 20-year-old Marianna Smith of Farmington and injuring a soldier.

Robert H. McHenry of Glover, son of J. R. McHenry, sergeant-at-arms of the Missouri House of Representatives, was brought here to a hospital with a possible spinal fracture.

Private McHenry, a passenger in the car which Miss Smith was driving, is on furlough from Camp Stoneman, Calif.

Britain is Pressing On to Another Dollar Crisis

By Sam Dawson

NEW YORK, Aug. 27—(AP)—Britain is working up again to another dollar crisis.

So far this year she has paid out \$2 billion more for goods she buys from the rest of the world than she has got for what she sells. And today the United Nations economic commission for Europe reports British economy under a severe strain and calls inflation rampant there.

High British officials are expected in Washington right after Labor day to see what Uncle Sam can do for them.

A few in financial circles here even say they wouldn't be surprised if England asked for another dollar loan. What she is more likely to do is to ask for more time on the old loan of \$34 billion made in 1946. First payment of \$75 million in interest and \$44 million on the principal is due next December. And many expect Britain will ask to waive the interest payment.

Others think Britain will push for more outright economic aid. She was dropped from the Marshall plan list the first of this year because she was then doing so well and building up her gold and dollar reserves. That is reversed

Her Hero

That adoring look for Cpl. Richard F. Webb is from his wife, Jean, who holds one of two medals the 18-year old Air Force hero received Aug. 24 at Washington, D. C. Webb, born in Meadville, Pa., and later a resident of Geneva, New York, was awarded the Silver Star for gallantry in Korea when he continued to direct aerial strikes after his position was overrun by the enemy. Later a North Korean soldier stood over him and fired a pistol at his head — the bullet glancing off a metal patch, imbedded in his forehead after a traffic accident four years ago. For that bullet he received the Purple Heart, his second medal. (AP Wirephoto)

Boyle Ready To Cooperate

Willing to Appear On Inquiry on Loan From RFC

WASHINGTON, Aug. 27—(AP)—William M. Boyle, Jr., Democratic national committee chairman, says he is ready to appear before a Senate committee checking into a \$565,000 Reconstruction Finance Corporation (RFC) loan to a St. Louis firm.

And Senator Hoey (D-NC) told a reporter today that "certain government officials" not previously mentioned in connection with the loan will be called along with Boyle as witnesses.

Hoey is chairman of the special investigations subcommittee which announced Saturday it will check into allegations that the American Lithofold Corp. — turned down three times—succeeded in getting a loan after hiring Boyle as an attorney.

The St. Louis Post-Dispatch published a series of stories in which it said Boyle was paid \$8,000 for his services.

Boyle said he received \$1,250 from the firm for legal work he did before quitting his law practice to become a fulltime employee of the Democratic committee in 1949. He has said his work for the printing firm had nothing to do with the RFC loans.

Informed of the proposed Senate probe, Boyle issued a statement Saturday in Beverly Hills, Calif., in which he said:

"I will be glad to cooperate in any way with Senator Hoey and his committee. I am sure the facts will develop full substantiation of my former statement."

"Washington Greeter"
The Post-Dispatch, meanwhile, reported that Cecil A. Green, whom it identified as a former business associate of Boyle, is employed by American Lithofold as a "Washington greeter."

In a copyrighted dispatch from Washington, the newspaper said Green has been on the St. Louis firm's payroll at \$500 a month since 1949. It added:

"Since 1949, when American Lithofold began to employ influential Washington and St. Louis politicians, the firm and its subsidiary, American Carbon Paper Co. of Chicago, have received \$1,038,633 in government printing contracts."

Less Liberal Policy Looms With India

U. S. Officials Are Displeased Over Treaty Attitude

By John Scali

WASHINGTON, Aug. 27—(AP)—A new and less benevolent American policy toward India appeared certain today to result from Prime Minister Nehru's refusal to sign a United Nations-backed peace treaty with Japan.

American officials made no secret of their bitter disappointment at India's public denunciation of the proposed treaty draft, coming as it did only nine days before the start of a formal 50-nation peace conference in San Francisco Sept. 4.

India's arguments for boycotting the signing, officials here said, seemed to echo Russia's long standing objections, and give powerful, timely ammunition to a new Moscow propaganda drive to wreck the Japanese treaty.

In New Delhi, Prime Minister Jawaharlal Nehru told Parliament today that India will sign a separate treaty with Japan as soon as Japan has achieved independence.

Nehru, whose treaty statement brought cheers from Parliament, did not say what he meant by "independent status." However, it was explained later that he was referring to Japan's position after the signing and ratification of the San Francisco treaty.

Separate Pact Probable
A separate pact between the U. S. and Japan is expected to be signed after the main peace treaty is disposed of. That pact would provide a new legal basis for keeping U. S. troops in Japan for its defense.

The State department yesterday made public India's decision not to sign the U. S. backed treaty along with an accompanying American rejection of India's arguments.

A 35-member Russian delegation, meanwhile, was on the high seas bound for the United States. Headed by Deputy Foreign Minister Andrei Gromyko, the Soviets are expected to unleash an all-out propaganda barrage at the pact at San Francisco and then stage a walkout.

In Moscow, the Soviet government newspaper attacked the proposed treaty as an American attempt to set Japan against other Asian peoples and make it into an American colony.

In rejecting its conference invitation, India assailed the final treaty draft because it:

1. Fails to turn over Formosa to Communist China.
2. Does not confirm Russia's present hold on the Kurile Islands and Southern Sakhalin.
3. Gives the United States trusteeship control of the Ryukyu and Bonin islands instead of returning them to Japan.
4. Allows American occupation forces to stay on in Japan.

The treaty draft as written, India concluded, contains the "seeds of a new dispute" in the Far East, and at the same time fails to restore Japan to a position of "honor, equality and contentment among the community of free nations."

In answering these criticisms, the State department said in a 1,500-word note that the Japanese government and people overwhelmingly want American military protection in and around Japan.

The American reply accused India of using a curious yardstick in advocating return of the Ryukyu islands to Japan while at the same time complaining because Russia did not get formal title to the Kuriles and Southern Sakhalin.

"The government of the United States," it said, "does not claim that the prospective treaty of peace involves adjustment such as the inevitable accompaniment of any concerted human effort."

'Drive Them Out' If No Armistice

NEW YORK, Aug. 27—(AP)—If there is no armistice in Korea, Vice President Alben W. Barkley said last night the "only alternative for us is to go all out and drive them out of Korea."

The vice president gave that as his personal opinion on a television program.

However, he said that any plan for all-out action against the Chinese Communists "is a question for the United Nations to decide."

Barkley, in answer to a hypothetical question, said:

"If I were Stalin, . . . I would want the United States to indulge in the greatest runaway inflation that could be imagined, draw our troops out of Korea, stop our defense program, and withdraw from the North Atlantic treaty alliance."

Special Election Held On Bond Issues
AVA, Mo., Aug. 27—(AP)—Citizens of Ava today in a special election on these three bond issues: \$35,000 for sewer system extension; \$5,000 for waterworks system extension; \$15,000 to buy a site and start construction of a municipal building.

Dies In Highway Accident
ROLLA, Mo., Aug. 27—(AP)—The state highway patrol reports that Harvey Cover, 61, of Brazil, Mo., was killed Saturday in a highway accident on highway 8, about 13 miles east of Steelville. (His car left the road and overturned.)

Charge Shortage By Treasurer

HERMITAGE, Mo., Aug. 27—(AP)—Alva L. Davis, treasurer of Hickory county for the past 16 years, has been accused of embezzlement of county funds, Prosecuting Attorney Ralph B. Nevins said today.

Nevins said Davis was arrested Saturday and was charged with converting \$9,200 in county funds to his own use in 1948. He waived preliminary hearing, was bound over to the next term of circuit court and was released on \$25,000 bond.

Nevins declined to say how the alleged shortage was discovered, but reported county officials estimate between \$15,000 and \$40,000 in county funds is missing. Davis, who is in his 50's, is married and has three children. He was a farmer before winning the treasurer's job. He is a Republican.

Receives Check for Highest Examination Marks
ANNAPOLIS, Md., Aug. 27—(AP)—Missus Clifford R. Graue, 1305 East Anderson St., Mexico, Mo., has been presented a \$100 check for having received the highest entrance examination marks, the Naval academy announced today.

The check was presented Graue, a plebe (freshman), by Comdr. W. S. Dawson, a member of the class of '39 which annually presents the check to the highest-standing enlisted applicant.

Desire Tighter Control Over Arms Flow

For Halting of It to Any Soviet Satellites

By Edwin B. Haakinson

WASHINGTON, Aug. 27—(AP)—Senator Sparkman (D-Ala.) asked the Senate today to approve a new measure aimed at drying up the flow of arms, ammunition and atomic and military material to Soviet Russia and her satellites.

"This is a good bipartisan bill," but I guess we face a fight," Sparkman told a reporter in advance of Senate debate on a measure that would cut off all U. S. aid for any nation engaging in embargoed trade with iron curtain countries.

Sensors Kem (R-Mo.), Wherry (R-Neb.), Byrd (D-Va.), and Malone (R-Nev.) have amendments that would clamp mandatory restrictions on all such trade and permit no exceptions.

Kem said the proposed export control bill "lacks teeth and contains an escape clause that weakens existing law."

He is author of a measure which Congress tacked onto an appropriations act in June. It ordered President Truman to halt economic assistance to any nation engaging in trade with Russia and her satellites. The new measure would extend the ban to arms aid.

The treaty draft as written, India concluded, contains the "seeds of a new dispute" in the Far East, and at the same time fails to restore Japan to a position of "honor, equality and contentment among the community of free nations."

In answering these criticisms, the State department said in a 1,500-word note that the Japanese government and people overwhelmingly want American military protection in and around Japan.

The American reply accused India of using a curious yardstick in advocating return of the Ryukyu islands to Japan while at the same time complaining because Russia did not get formal title to the Kuriles and Southern Sakhalin.

"The government of the United States," it said, "does not claim that the prospective treaty of peace involves adjustment such as the inevitable accompaniment of any concerted human effort."

Nine More Die In Hurricane
MEXICO CITY, Aug. 27—(AP)—The mayor of El Mante on the Pan-American highway reported today hurricane-borne rains caused nine drownings in that area.

The hurricane hit Tampico, on Mexico's eastern coast, Wednesday.

Patricio Reina, reporting to President Miguel Aleman by radio, said soldiers had found the bodies and were seeking more. He said 3,000 farmers from flooded lowlands had taken refuge in a big sugar mill at El Mante.

The Pan-American highway meanwhile was open throughout its length from the Texas border to Mexico City. This reestablished traffic on the main tourist route which had been closed since last Thursday. There were no reports of death or injury to any tourist.

The Mante reports brought the number of deaths in last week's hurricane to 210.

UN Team Pulls Russian Jet Plane From Where it Sank
LONDON, Aug. 27—(AP)—The story of how a mixed team of Americans, Britons and South Koreans snatched a Russian jet plane from its watery grave 100 miles inside the Communist lines in Korea was told here today.

The plane, a MIG-15, is now under study at the Wright-Patterson air experimental base in Dayton, Ohio. There U. S. experts will dig out the secrets of construction and design which have made the Russian fighter in some respects superior to any western plane now flying.

The dramatic account of its recovery was made public by the British Admiralty.

The MIG-15, shot down in a dogfight with U. S. fighters, was ditched by its pilot in shallow water off the West Coast of Korea. First, planes from the British light fleet carrier Glory were sent to fix its exact position and photograph it. Then a U. S. navy helicopter took off from the Glory and dropped a buoy to mark the position for the daring salvage attempt.

The task of grabbing the plane deep in enemy territory was assigned to Capt. W. L. M. Brown and the 1,600-ton Royal Navy frigate Cardigan Bay. He enlisted a U. S. Navy shal-

Loot Office of Hollywood Cafe of \$1,200

HOLLYWOOD, Aug. 27—(AP)—Two holdup men forced five employees of a cafe to lie flat on the floor, then looted the office of \$1,200 while a juke box ground out its tune.

As they walked out with the money the song ended on these lines:

"Pick yourself up dust yourself off and start all over again."

Skirmish in North Korea Old Triangle

Three Actions on East Central Front Early Today

U. S. EIGHTH ARMY HEADQUARTERS, Korea, Aug. 27—(AP)—An Allied patrol clashed with Red troops in a three-hour skirmish today in the old iron triangle in North Korea.

The fight came as the UN troops probed the former Red assembly area almost to its northernmost tip at Pyongyang.

Three other sharp actions broke off before dawn on the east central front.

Along the rest of the front only minor engagements were reported.

Rain and low-hanging clouds over Red Korea's spiny ridges cut visibility to a few hundred yards in some areas.

The bad weather reduced the Allied air attacks on Communist convoys bringing men and supplies to the front lines. Only 200 sorties were flown.

AP Correspondent George A. McArthur reported Allied infantrymen were in sight of Pyongyang when they ran into a Communist machine gun and mortar pinned the Allies down on the slope of a hill. After calling for artillery support, the patrol stormed and captured the hill. It was driven off by counterattacking Reds with mortar support.

The patrol broke off the engagement late in the afternoon and returned to the UN lines, still under sporadic machine gun and mortar fire.

Poor visibility almost eliminated observation of Red movements on the east central front. A that area hundreds of troops were heading south in the past few days.

Kills Snake in Church Then Preaches On
ISTACHTATTA, Fla., Aug. 27—(AP)—A four foot blacksnake slowly wriggled down the aisle of the Baptist church during the sermon at a recent service.

As it reached the foot of the pulpit, the Rev. Fletcher Weston threw a hyacin book but didn't stop the snake.

Several women raised their feet off the floor. One left. But she came back with a good sized rock and handed it to the minister. He killed the snake and resumed the sermon.

Drowns When Motorboat Overturned
GASCONADE, Mo., Aug. 27—(AP)—Harry Kulp, 42, a St. Louis painter, drowned yesterday when an outboard motorboat overturned in the Gasconade river near here.

Two fishing companions, Harry Stoffer, 51, Kulp's employer, and Ben Lears, about 49, both of St. Louis, were rescued by persons in another boat.

Kulp apparently struck his head on the boat when it overturned and went down almost immediately, his companions said.

Door Left Open For a Possible Resuming of Truce Talks

By the Associated Press

TOKYO, Tuesday, Aug. 28 (AP)—The Communist high command today bitterly rejected the allied reply on an alleged Kaesong neutrality violation but, at the same time, left the door open to a possible resumption of the Korean armistice talks.

The Reds broke off the stalemate talks Aug. 23, alleging that an Allied plane had attempted to "murder" the Communist delegation at the Kaesong conference site.

Gen. Matthew B. Ridgway, Supreme United Nations commander, told them Saturday their charges were "malicious lies" but that he was willing to resume the armistice effort.

In a reply broadcast early today by the Peiping radio, North Korean Premier Kim Il Sung and Chinese Red Gen. Peng Teh-Huai said Ridgway's statement was "entirely unjustified."

They accused him of manufacturing incidents to break up the truce talks of "slandering" the Communists.

Reiterated Charges
Following a wordy complaint that reiterated all the old Red charges, they then stated:

"We hereby once more propose to you that this grave action of provocation should be dealt with by your side with an attitude of serious responsibility. Then the continuation of the negotiations for a just and reasonable armistice agreement can be guaranteed."

"At the same time we demand that your liaison officers proceed to Kaesong to carry out a real investigation jointly with our liaison officers of the incident that occurred on Aug. 22, when your military aircraft bombed and strafed the vicinity of the residence of our delegation in order once again to prove the full validity of our protest."

The Reds, after a long week-end of vitriolic propaganda against the United States and the United Nations, thus passed the buck back to General Ridgway.

On the basis of the previous exchanges, it appeared unlikely that he would consider their response satisfactory.

However, the Red invitation to renew the investigation at Kaesong and to seek a settlement indicated clearly they were not yet prepared to cancel the deadlocked truce talks once and for all.

The official Red reply reiterated their original charges, accused Ridgway of "slandering" the Communists, and told him:

"Your attitude regarding the affair, such a denial of the truth, such a confusion of right and wrong, and such a self-contradiction that it is very hard to make people believe that your aim is not one of manufacturing incidents and undermining the negotiations."

The Reds were thus accusing Ridgway of the same thing that he laid at their door—inventing incidents to wreck the armistice effort.

Whether Ridgway had received the reply officially was uncertain. It was broadcast in Chinese voice, but no previous communications with the Allied command has awaited an official written copy, properly delivered by liaison officer, before making comment or response.

Back to Tokyo
General Ridgway himself returned to Tokyo only Monday after a flying four-hour visit in Korea. His purpose was not disclosed.

The sudden Red broadcast reply followed a massive outpouring of propaganda attacks on the United States and the Allies, which had been in full flow ever since the Communists broke off the Kaesong talks at 1:45 a.m. Thursday.

The burden of these semi-official and unofficial Red broadcasts was that, even after the break-off, the United States had made two new land and air raids on the Kaesong area and also had sent warplanes scouting over Shanghai, Tsingtao and other Chinese coastal cities.

The Weather
Central Missouri: Partly cloudy tonight with showers late tonight and Tuesday morning. Low tonight near 65. High Tuesday in mid-80s.

Lake of Ozarks: 1.3 rise .3.

Thought for Today
The most manifest sign of wisdom is a continual cheerfulness; her state is like that of things in the regions above the moon, always clear and serene.—Montaigne.

Missouri Pacific Shop Notes

Mr. and Mrs. K. V. Lewis have returned from a two weeks vacation spent visiting relatives and friends in Los Angeles, Calif., and visiting other points of interest in the west.

Mrs. R. R. Ramlow wife of machinist has returned from a vacation trip spent visiting her sisters in Casper, Wyo., and other points of interest in Wyoming.

Mr. and Mrs. Harold Paul, and daughter of De Soto, Mo., have returned after visiting relatives in Sedalia and attending the Fair. Mr. Paul is foreman in the car shops there.

Jim Hill, machinist, who has been a patient in the Missouri Pacific hospital in St. Louis has returned home after receiving medical attention.

Harry Lambirth, superintendent of the reclaim plant has returned to his duties at the shops after being a patient in the Bothwell hospital receiving medical attention.

Mrs. Clarence Mettler, wife of sheetmetal worker, and children Mark and Matthew and daughter Cherry have returned home after spending a vacation visiting relatives and friends in Pasadena, Calif.

Harry Marsh, superintendent of cars for the Missouri Pacific in St. Louis, was a business visitor at the shops last week.

John Pogson, formerly a machinist at the shops, but who is now in the school system at Topeka, Kan., where he is an instructor was a visitor in Sedalia last week visiting friends and attending the fair.

L. C. Bryson, assistant superintendent of safety with headquarters in St. Louis, was a visitor at the shops last week in company business.

John Thomas carman welder, was one of the umpires selected to represent the Southern District in the playoffs. Mr. Thomas worked the Moberly-Columbia series and the Brookfield-Moberly series.

Mr. and Mrs. Hudson Pursley and children of Galveston, Tex., have been spending the past several days visiting relatives and friends in Sedalia. Mr. Pursley was formerly an electrician at the shops.

Mr. and Mrs. Walter Gardner and children of Greeley, Colo., have returned home after spending a few days visiting relatives and friends in Sedalia and attending the Fair.

Mr. and Mrs. Raymond Cone and son Harry have returned to their home in Dennison, Tex., after visiting relatives in Sedalia and attending the Fair. Mr. Cone is employed with the M K & T in Dennison.

Robert Handley retired M K & T sheet metal worker has returned home after receiving medical attention at the company hospital in Dennison, Tex.

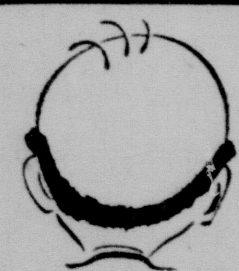

Cedar Waste Produces Usable Compound

VANCOUVER—(AP)—The campaign to utilize all forms of wood waste took a new turn recently when plans were made for manufacture of boiler compound out of cedar waste. It is believed \$500 worth of the required chemical constituents can be obtained from each ton of cedar waste, formerly discarded and burned at the shingle mills.

Moose In The Traffic

NEW LISKEARD, Ont.—(AP)—Two huge moose stood patiently in a field by the highway here for hours. Occupants of a nearby farm said the male and female animals evidently were waiting for a break in the traffic. Finally they got across.

Battleship Iowa Back in Service

Several hundred invited guests stand under the big 16-inch guns of the 45,000-ton battleship Iowa as re-commissioning ceremonies were held aboard the ship at San Francisco, Aug. 25. The veteran of action in both the Pacific and Atlantic in World War II was taken out of moth balls several weeks ago and extensive work started at the San Francisco navy shipyard. The state of Iowa was represented by Mrs. William S. Beardsley, wife of the state's governor. (AP Wirephoto)

Weds Twin Brother's Widow

Fred Wilson, 22-year-old flyer, and his bride—widow of his twin brother, Charles—pose Aug. 25 with their wedding cake after their marriage in Washington. Fred saw his brother killed in a jet plane crash over England while both were on temporary duty with the 20th Fighter Group. After his brother's death, Fred said "I just naturally took his place." Both are residents of Alexandria, Va. (AP Wirephoto)

FORDOMATIC

THE FORDOMATIC FORD GIVES YOU AN ENTIRELY NEW KIND OF DRIVING!

OUTGOES THEM ALL!

Combines best features of previous drives! Fordomatic gives you two automatic drives in one—a torque converter for smoothness—and automatic gears for get-up-and-go and gas savings. You get just the power you need, when you need it!

Fordomatic Drive optional at extra cost. Equipment, accessories and trim subject to change without notice.

Practically drives itself. Fordomatic thinks for you. It automatically provides a countless number of ratios through which engine power is fed to the rear wheels—automatically adjusts the ratio as needed to give you a new kind of performance, new smoothness.

Easier rocking! It's even easier to "rock" out of sand, snow, or mud with Fordomatic than with conventional drive. All you do is flick the drive selector between Low (L) and Reverse (R). Fordomatic's safer, too, because like conventional drives, forward and reverse positions are separated by neutral.

You're boss every second! Fordomatic obeys your every wish. Step down on the accelerator and you get an extra spurt of power for hill climbing and passing. Going downhill you can shift to low at any speed for extra engine braking.

It's a gas-saving powerhouse! Fordomatic's lower rear axle ratio gives the fewest engine revolutions per mile of any car in its field with an automatic transmission. Fordomatic's automatic intermediate gear provides smooth, fast economical "getaway" without wasteful engine racing.

Come in and "Test Drive" the

Suit Filed Claims Injury to Eye

A damage suit for \$10,000 was filed in the Circuit clerk's office this morning by Bertha Johnson against Cetlin and A. W. Wilson, doing business as Cetlin-Wilson shows, Mike and Stanley Mansion and Joseph Hilton.

The suit was filed after the plaintiff reported she was injured in the face and right eye during a performance of the Micky Mansion Congress of Living Freaks. Petition recites that Bertha Johnson was standing in the front row of a crowd before one of the units of the show when Joseph Hilton dropped a neon sign which exploded in her face allegedly injuring her eye and impairing the vision. She states that during the time Hilton was acting agent for Mike and Stanley Mansion and in turn for the Cetlin and Wilson shows.

Therefore the plaintiff asks the court to award her a judgement of \$10,000 for injuries received at the hand of the defendant.

Attorney for the plaintiff is Frank T. Armstrong.

Proceedings in Police Court

A charge of disturbing the peace was dismissed in police court this morning against Kenneth Manns, 910 East Ninth, when W. A. McMillan, who filed the charges against Manns failed to appear in court.

James Holloway of Chicago, Ill., forfeited a \$10.00 cash bond when he failed to appear on a charge of speeding.

Two charges of disturbing the peace against Mr. and Mrs. Lester Rosenham and Anna Bell Rogers and Marlene Stephenson were dismissed.

The Rosenhams were represented by William Gibson and the other two parties were represented by Fred E. Wesner.

Archie Burris, Negro, was fined \$15.00 in police court this morning when he pleaded guilty to a charge of disturbing the peace of Mary Lee Jackson, Negro.

Ten overtime parkers forfeited \$1.00 cash bonds each when they failed to appear.

Week End Deaths Of Noted Persons

By the Associated Press

Rear Admiral James (Red) Hean SELMA, Ala.—Rear Admiral James (Red) Hean (Ret.), 43, former commander of fleet logistics, Pacific air wing of the Naval Air Force.

J. J. Sugarman VAN NUYS, Calif.—J. J. Sugarman, 80, millionaire businessman who began as a newsboy and founded an auctioneering and liquidating firm in Los Angeles. He was a native of Russia.

Leonard Schultze WEST PLAINS, N. Y.—Leonard Schultze, 73, internationally known architect who designed New York City's central terminal and other important buildings. He was born in Chicago.

Sir Ernest Clark LONDON—Sir Ernest Clark, 87, economist and governor of Tasmania from 1933 to 1945.

Dr. Charles James Hatfield PHILADELPHIA—Dr. Charles James Hatfield, 84, founder of the National Tuberculosis association, longtime executive director of the Henry Phipps institute for the study and prevention of tuberculosis and staunch advocate of chest x-rays and tests for school children.

The Rev. Herbert Brook Workman LONDON—The Rev. Herbert Brook Workman, 86, prominent Methodist minister and deputy vice-chancellor of London university.

Coach and Coupe Were in Collision

An accident involving a 1950 Plymouth coach driven by Edward Richard Seifert of Ottumville, 18, and a 1940 Chevrolet coupe driven by Wilbur Carl Putnam, 20, of Ottumville, occurred early Sunday afternoon about two miles east of Ottumville on highway 50.

No one was injured and only slight damages resulted to the cars.

A third car which was in front of the two involved in the accident which had stopped suddenly caused the other two cars to collide the report declares.

U. S. Forces Win In War Games

FORT BRAGG, N. C., Aug. 27—(P)—The Carolina war games ended today in complete victory by U. S. forces.

Umpires said that the 43rd and 28th infantry divisions, aided by 6,000 paratroopers of the 82nd airborne division who jumped over the week-end, "knocked out" the enemy aggressor.

The infantrymen and the paratroopers linked up for the final push that overwhelmed the enemy as the two-week exercise Southern Pine closed. The maneuver, biggest field training exercise since World War II, involved 110,000 soldiers and airmen.

Theoretically, the enemy came up from the Caribbean area, landed in South Carolina, and drove through North Carolina heading for the Raleigh-Durham industrial area. He was stopped cold today in the pine-wooded sandhills country around Fort Bragg and Southern Pines in south Central North Carolina.

The director, Lt. Gen. John Hodge, said that the maneuvers were worth five times their cost, and the 43rd and 28th divisions,

Britain is Pressing On To Another Dollar Crisis

(Continued from Page One)

by government and industry, of such pound sterling items as rubber, tin and wool sent their prices soaring after the Korean war started and made Britain's trade balance favorable. During 1950 Britain's reserve of gold and dollars climbed from \$1.07 billion to \$3.3 billion.

Then Uncle Sam cut off the flow of Marshall dollars. At about the same time he balked at the sky-high prices of rubber, tin and wool, and sterling area import dollar totals suffered a slump. Britain was under pressure to re-arm and the price of these raw materials had gone up also. So far this year Britain has spent \$6.2 billion on goods she imported, an increase of 48 per cent over the first seven months of 1950.

The result of spending more for materials and getting less for what she sells has brought about the \$2 billion unfavorable balance of trade.

It's just another in the long line of crisis in postwar Britain.

soon be outmanned by big assault landing aircraft.

S. H. Cook Killed As Auto Hits Pole

Samuel Harry Cook, 15, of Eldon, Mo., was fatally injured in an accident about 1:30 p.m. Sunday when a 1951 International pick-up driven by John Collier Shelton, also of Eldon left the pavement on highway 5, two miles east of Tipton, struck and knocked down a telephone pole, crashed through a fence, turned over and came to rest on its wheels.

Also injured in the accident was Don Floyd Vaughan, 14, of Eldon, who received a cut on the chin and suffered from shock.

The highway patrol reported that the truck skidded on the wet blacktop surface when Shelton applied his brakes.

Cook's body was taken to the Hayes funeral home in Eldon and Vaughan was taken to the Latham hospital at California, Mo.

Appeal For Guards Return

SPRINGFIELD, Mo., Aug. 27—(P)—Twenty wives and 17 children of Springfield National Guardsmen "demonstrated" in front of the National Guard armory here this morning in an effort to get releases from the army for the men now stationed in Pusan, Korea.

The women insisted they were "demonstrating, not picketing." One carried a sign reading "discharge National Guardsmen along with reservists. Be fair." Another read, "the ERC's (enlisted reserve corps) are being released, what about the 106th National Guard?"

Children ranging in age from a little over one year to teen-agers carried placards reading, "please, please I need my daddy" and "bring my daddy home."

Basis for the demonstration is the claim made by the guard wives that reservists in the heavy tank maintenance company are being returned to inactive duty, but not guardsmen.

A group of wives has written to Mrs. Anna Rosenberg, assistant secretary of defense, and to Rep. O. K. Armstrong (R-Mo) and have tried to call Sen. Thomas Hennings (D-Mo) to register protests.

The National Guard unit left Springfield one year ago tomorrow for federal service, went to Korea in March.

Robs Church of \$1,600, Binds Priest

ST. LOUIS, Aug. 27—(P)—Armed with a long sword, a burglar today took some \$1,600 from St. James Catholic church here and then forced an acting pastor to drive him to East St. Louis, Ill., where the thief bound the priest hand and foot.

The Rev. Lawrence C. Nibberich told police he was awakened by the robber and forced to dress and open a rectory safe which contained about \$75. The robber proceeded to the church where he walked off with a sack holding from \$1,500 to \$1,500 in collection money, the priest said.

The thief, identified by the Rev. Nibberich as a part-time janitor at the church, then forced the priest to drive him to a hotel parking lot in East St. Louis. The Rev. Nibberich was bound and left in his automobile.

Police, who did not identify the thief, said the priest recognized the sword held by the robber as one which turned up when the rectory moved to a new building recently.

At that time the Rev. Nibberich remarked he "wouldn't want that

Thousand at Holohan Service

NEW YORK, Aug. 27—(P)—One thousand persons attended a funeral mass today for Maj. William V. Holohan, who was slain almost seven years ago behind enemy lines in Italy and his body dumped in a lake.

A recent defense department announcement said Maj. Holohan was killed while on a mission for the office of strategic services in 1944 and named two Americans in his group in connection with the slaying.

The body was recovered from the lake and returned to New York last week.

Maj. Gen. William J. Donovan, retired wartime head of the OSS, led comrades of Maj. Holohan at the requiem mass at St. Patrick's cathedral. The mass was celebrated by Col. Edward Martin, First Army chaplain. Final prayers over the casket were said by Bishop James Griffiths, chancellor of the military ordinariate. Burial followed in Gate of Heavy cemetery, Pleasantville, N.Y.

MIAMI, Fla., Aug. 27—(P)—The body of Lewana Newman, 23, kidnapped by bandits five days ago, was found in a wooded area today.

Mrs. Newman, mother of a 6-year-old child, was abducted from the Gould hotel on the ocean front north of Miami Beach Wednesday night. Also missing was \$925 from the hotel cash drawer.

O. D. Henderson, chief deputy, said the body found in underbrush was "definitely Mrs. Newman."

The deputy added that her disappearance was a kidnapping. Until today there had been no clue as to her whereabouts.

Henderson reported a man was under arrest and being questioned. He did not identify the man except to say he was a former friend of Mrs. Newman, who is separated from her husband.

The Washington Merry-Go-Round

Children Are Destroyed By the Narcotic Peddler

By Drew Pearson

(Copyright 1951 by The Bell Syndicate, Inc.)

(Editor's Note — While Drew Pearson is on a brief vacation, the Washington Merry-Go-Round is being written by several distinguished guest columnists, today's being by Mr. Harry J. Anslinger, the treasury department's commissioner of narcotics and the U. S. representative on the United Nations Narcotic commission. In international circles Mr. Anslinger is regarded as the greatest living authority on the world narcotics traffic. On June 30, 1951, in the U. S. House of Representatives, Congressman Gordon Canfield said: "The nations of the world regard him as the world's No. 1 authority on the subject.")

WASHINGTON, August 27 — The narcotic peddler does not kidnap your children; he destroys them.

In extreme distress, parents brought their 16-year-old boy to my office. The lad quivered like the leaves of the aspen. He was suffering the dreaded withdrawal syndrome of drug addiction. He was one of those who use bravado to gain admission to the delinquent gang.

"Tell me where you get heroin," I said. "I will send you to the hospital for a cure."

We used an undercover agent to buy from the "pusher" who led us to the wholesale peddler. Then by progressive steps we graduated to one of the big traffickers who controlled a nationwide syndicate. We trapped him like a rat. It took men, endless patience, long hours of vigilant surveillance and infinite detailed cooperation. Now, where did he get his supply? From a country which signed the Geneva convention of 1931 to limit the manufacture of narcotic drugs to medicinal needs and then estimated its heroin consumption at ten times its actual medical needs. Even with elaborate reporting and

checking by international bodies, the padded estimates escaped the attention of the United Nations control machinery.

We first picked up the international leakage when the Los Angeles county sheriff turned over to us a peddler with ten ounces of heroin. He got it from a ship's steward traveling between New York and Trieste. In Trieste, the Allied military authorities had inadvertently repealed narcotic laws. Diversion in Italy provided a ready source, with the connivance of the Mafia. Wheels within wheels. The narcotic traffic is intricately interlaced and skillfully interwoven.

We have 195 agents; less than 2 per cent of the federal enforcement personnel. These men account for 10 per cent of the federal prison population and their convictions average 95 per cent. Our force is about as large as that of the police department in a place the size of Tampa, Florida.

The whole world regards the U. S. treasury department's bureau of narcotics as a model. The work is dangerous, nerve racking, and round-the-clock, yet there is something which makes crusaders of all who engage in it. They respond beyond the call of duty.

Our enemy is artfully cunning. The seller is satisfied, and the user won't tell. There are no complaints as in crimes like robbery and kidnapping. Not one witness before the Senate crime committee would reveal his source of supply, through fear of consequences. We work completely undercover, and must come up with the corpus delicti (evidence) at the conclusion of the investigation. We are severely handicapped by court decisions relating to search and seizure, and must rely on state prosecution in many cases.

We need a law which will put the peddler away longer than 16 months. The House of Representatives passed such a bill. It is cruel exploiters deserve greater

Killjoy Will Be There

John H. Collins

The Doctor Says—

Cancer Complications Are Not Common in Fibroids

They have no sense of moral responsibility. They would, without hesitation, shoot heroin into the radiant veins of your 15-year-old daughter, and send her into prostitution to get money for the heroin they pump into her innocent body, yet such peddlers get off with suspended sentences.

The addict must be quarantined in the city hospitals. Baltimore has the distinction of being the first city to set aside 10 beds for the disinfection and rehabilitation of drug addicts.

Limitation on manufacture of narcotic drugs and control of international distribution have been accomplished through eight treaties. The United Nations is now working on a plan to limit opium production to world medical needs. This is the goal I have been working for at every international conference I have attended since 1931. Such an agreement would be the greatest achievement so far attained toward suppressing the abuse of narcotic drugs throughout the world.

Present sources of our illicit narcotics are Italy, Iran, Turkey, India, Greece, Communist China, and Mexico. Mexico is doing good work with airplanes and troops to suppress illicit opium cultivation. Other source countries please take note.

Reports of large-scale drug addiction throughout the world reflect a post-war phenomenon and a jittery world.

About 1947 we had the traffic under control. Prison wardens

Some interesting questions about fibroids have been sent in by M. A. P. "I have a sister," she writes, "who is having trouble with a fibroid about the size of a golf ball. Since I have had trouble of the same sort which was successfully treated with X-ray, she has asked my advice."

"Could a fibroid the size of a golf ball be diagnosed accurately in a woman around 40 years old who has had several children? Is there a simple test to determine whether cancer is present in the fibroid? Could a small fibroid cause loss of weight and general run-down condition. How are such fibroids treated?"

These questions pretty nearly cover the entire subject. It is possible for a skilled physician to make a rather accurate diagnosis

reported an absence of addicted criminals. The population of our Lexington narcotic hospital had fallen to such an extent that a move was under way to abolish the hospital. I urged all to stand by and to prepare. We could feel it coming here and abroad. Warnings went unheeded. In the past two years it rolled in like an engulfing surf.

Finality in dealing with the international traffic must be reached. Its continued existence and evergreen activity is a sad reflection on the world's lack of joint determination to be done with these plague carriers whose god is auri sacra fames (the accursed thirst for gold).

Ruth Millet

Daughters-in-Law Can Use This Tip on Mothers-in-Law

"Why don't you ever present the mother-in-law's side of the 'in-law situation'?" a mother-in-law asks me.

Well, this isn't exactly what she asked for. It's just an observation that might be an eye-opener to daughters-in-law.

A young wife will say with fond pride, "I never hope to be as good a cook as my mother" or "Mother can work circles around me. If I only had her efficiency" or "Mother is so wonderful with the children. I wish I could be as calm and patient with them as she is."

You hear young wives make remarks like that all the time. They seem to take satisfaction in the fact that their own mothers can out-shine them at this or that. But it is rare to hear a wife boost her mother-in-law with such comparisons. Why is that? Why must a wife feel she has to be just as accomplished as her more experienced mother-in-law in every phase of home-making and child care?

If she could and would, chances are she would get the mother-in-law-daughter-in-law, relationship off to a happy start.

For if she openly admitted that she couldn't do this or that as well as her mother-in-law, the mother-in-law wouldn't be tempted to try and show her up, or to find fault with the way she did things. Instead she would start looking around for some skill of the daughter-in-law's to admire.

That is just a simple rule of human nature. Find something admirable about another person and he'll look for something to admire about you.

But it's a rule a lot of women forget in their mother-in-law relationships.

If you want to buy, sell, rent or trade, use the Democrat class ads.

of the presence of fibroid. The size, too, can be quite exactly noted. If there are several fibroids present—which is not unusual—the exact number and their size cannot always be discovered quite as accurately before an operation.

There is no simple test to determine whether there is cancer present in a fibroid. But, and this is important, cancer is not and important complication and occurs infrequently in fibroids. As to the effects of fibroids, it can certainly be said that they may and often do cause a person to be run-down in health. They are frequently associated with symptoms which do cause the victim to become anemic or otherwise reduced from a state of good health.

Three Treatments As to treatment, there is this to say. A fibroid, or several of them, cannot be dissolved or made to disappear by any drug. In fact the tendency is for them to grow in size. However, small ones may do no harm and are usually watched without any treatment unless some good reason develops for doing something.

There are three possible lines of treatment when this is necessary: to try to remove a single fibroid leaving the uterus or womb in place; to remove the womb including the fibroids, or to try to destroy the fibroid with radium without injuring the womb.

The selection of which method to follow is complicated and depends on many individual circumstances. However, in the vast majority of those who must have treatment, the removal of the entire uterus along with the fibroid or fibroids is considered the treatment of choice.

Side Glances

"You want to see a top-sirloin? I'm sorry, madam, those are seen by appointment only!"

Some superstitious Chinese believe that eating of dogs' flesh gives courage.

The nation's 1951 rye production is estimated at 24,000,000 bushels, about 6,000,000 under the 10-year average but nearly 1,000,000 above last year.

WEIRD WHEELING—Two Danish brothers from Copenhagen have drawn many amazing looks from onlookers during the first month of their round-the-world journey by bikes. Their strange vehicles, shown above as they passed through a Munich, Germany, street, enable them to peddle while lying down. The brothers, Svend Aage and Knud Erik Nielsen, expect to finance the three-year tour through several continents by selling picture postcards of their unusual vehicles.

SEDALIA INDUSTRIAL LOAN AND INVESTMENT COMPANY
SEDALIA TRUST BLDG. 4th & OHIO

On Aug. 6, 1945, an atom bomb screamed out of the sky and rained death on Hiroshima, Japan. Three days later, a second A-bomb was dropped on Nagasaki. Seventy-three thousand were killed. The two history-shaking explosions ended a mighty nation's bid for world conquest, for on Aug. 14, 1945, the Japanese surrendered unconditionally.

The atom bomb killed Japan's will to war. Then, soon after, another—even mightier—force blasted the feudal foundations of the Japan we all knew. This force was democracy—a way of life new to Japan's 80,000,000 patient, persevering people.

The democratization of the centuries old feudal empire is the story of the most successful occupation in history. It began with demilitarization. Every smoldering spark of militarism and ultra-nationalism was stamped out. Shintoism, a religion professing Japan's divine right to rule the world, was outlawed and Shinto statues removed from public display.

Banning the production of arms and armaments, the U. S. tossed Japan's mighty war-machine on the scrap pile. The demilitarization phase of the occupation was completed with the trial of 24 major war criminals in April, 1948. On December 23, Hideki Tojo and six other war lords mounted the gallows.

State Fair Awards

4-H Clubs

Home Economics, Educational Displays, Poultry, etc.

The 4-H boys and girls of Missouri had thousands of entries in the 1951 Missouri State Fair in the numerous departments for Junior contestants. The Danish system of judging was used in most instances. This means: 1. Blue—top; 2. Red—Superior; 3. White—Below Standard; 4. No Award—Inferior or defective. County collections and educational displays.

Boyle Ready To Cooperate

(Continued from Page One)

orders." In Washington, Green commented, "As usual the Post-Dispatch is wrong." He said he is employed to attend to "general routine business matters for the firm; is not a greeter," has "never been in business with Mr. Boyle in my life," and knows of no attempt to "influence" the RFC "by Mr. Boyle or anyone else."

Hoey declined today to name the government officials he said would be called to testify along with Boyle, nor would he discuss what questions they may be asked. Boyle has denied he exerted political influence on the RFC. And President Truman said recently he has looked into circumstances of the loan, and knows of nothing involved which would merit criticism of Boyle.

Break Records In Fair Attendance

evening. The Wheatland band director is Mrs. Lenora Howery and for Versailles Wilbur Schmoil.

Former Air Base Commander Is Visitor

Col. Jerome McCauley, USAF retired, and Mrs. McCauley, Denton, Texas, are spending a few days visiting with Mrs. McCauley's parents Mr. and Mrs. T. B. Bunn, 301 West Broadway, and other relatives.

Col. McCauley for several years was commanding officer of the Sedalia Army Air Base. He retired from active duty last December and since that time has been living in Denton.

People From Nearly Every State Mrs. Elizabeth P. Belt, 1008 South Ohio, who served as registrar at the Women's building at the Missouri State Fair this year, stated that the register showed people from nearly every state and Canada visited at the Fair this year.

The register was signed by hundreds of people from all these different states and Canada, who visited in the Women's building for the various shows held there and by those who used the building as a place to rest.

FATHER

That great man to whom you turned in youth's perplexities is now at rest, his labors over, and—

We should rest beneath a monument that tells of respect and memory.

James Harvey Bryant, 504 East Third, who died Saturday noon in the St. Joseph hospital in Omaha, Neb., following a short illness.

Mr. Bryant's home was in Sedalia but for the past two years he had been working for the Un-

OBITUARIES

Ed C. Houchen Dies

Ed C. Houchen, 69, died on a public bus in Sedalia late Sunday afternoon.

He was visiting in the home of his nephew, Virgil, of Sedalia. Mr. Houchen was born in 1882 on August 25, the son of the late James and Margaret Houchen. He was married in 1907 to Ardella Rauselbach, who preceded him in death, later to Freida Gaddie of Kansas City and then to Genevieve Silvey all who preceded him in death.

Two brothers and two sisters also preceded him in death.

He is survived by three brothers: Jim of Sedalia, Birt of Louisville and Frank of Stover.

For six years he was employed as a guard at the Missouri State Penitentiary. He gave this job up in March of this year.

Since he left his job he has been visiting with relatives in Stover. Funeral services will be held Tuesday afternoon at the Stover Methodist church with Rev. Van Leer officiating.

Nephews will act as pallbearers. Burial will be in the Stover cemetery.

Joe Kinsworth

Joe Kinsworth, 74, route 1, Sedalia, died at the Bethel hospital at 6:30 a. m. Sunday.

Mr. Kinsworth spent most of his life in Sedalia.

Surviving are his wife, Ida Jane Kinsworth of the home, two daughters, Mrs. Nora Kruse, and Mrs. Lola Bakert of Sedalia, and a brother and sister in Kansas City.

Funeral services were held at 2 p. m. today at the Bethlehem church, with the Rev. H. L. Alley, pastor of the Cavalry Baptist church officiating.

Mr. and Mrs. E. J. Shoemaker, end guests of his parents, Mr. and Mrs. T. E. Shoemaker, 122 East Seventh, returned to their home Sunday, accompanied by their daughter, Susan Diane who has been visiting her grandparents here.

Mrs. Florence Nelson of Los Angeles, Calif., is here for a visit with her daughter, Mrs. Lawrence Dailey and family, 1102 South Lamine. Mrs. Nelson is a former Sedalian and this is her first visit back in four years.

O. D. Bellis, 1113 South Massachusetts, has returned home from the Missouri Pacific hospital where on August 2, he underwent major surgery. His condition is satisfactory.

John William Moles

John William Moles died at his home in La Monte Saturday, Aug. 25th.

Mr. Moles was born in Clarksville, Mo., 1890 the son of the late Milton and Edna Moles. He entered the service of his country in 1917. At various times in his life he was associated with his father in the merchandising business. For a number of years he has been in the hardware business in La Monte.

On June 9, 1920 he was married to Fern Keller and to this union two sons were born. She preceded him in death.

He was married to Miss Blanche Rice on May 24, 1928 and one daughter was born to them.

Mr. Moles has been a member of the Baptist church since an early age. He was a member of the Veterans of Foreign Wars, the American Legion, the Scottish Rite in Kansas City and the Loyal Order of the Moose.

A brother, Harold Moles, died several years ago.

Surviving are two sons, William J. Joseph and Harold of La Monte and one daughter, Joan of Kansas City; a sister, Mrs. R. C. Stephens of Clarksville.

The body was taken from the Parker home to the Baptist church where services were held this afternoon with the Rev. Clyde Faulkner officiating.

Perry Reed was in charge of the music.

Pallbearers were Terry Files, Lloyd Mahin, Oliver Sevier, Joe Burke, Paul Stemkuhler and Glen Reynolds.

Peter T. O'Brien was in charge of the military services. Burial was in La Monte cemetery.

Funeral of Mrs. Looney

Funeral services for Mrs. Ethel Looney, 77, 410 East Howard, who died Friday, were held at the Gillespie funeral home at 2 p. m. today with the Rev. Von R. Kemp, pastor of the Assembly of God church, officiating.

Mrs. Von Kemp sang, "Precious Memories" and "Zion's Hill."

Pallbearers were Ernie Vaught, Walter Hunter, Ed Hallahan, C. B. Stewart, Archie Hughes and George Swearingen.

Burial was in Crown Hill cemetery.

Surviving are the following children: Mrs. H. V. Owen, Phoenix, Ariz.; Mrs. Irene Schmidt, Denver, Colo.; Argus Looney, Edgewater, Md.; Harry Looney, Detroit, Mich.; and Clyde Looney, Gardena, Calif.

James Harvey Bryant, 504 East Third, who died Saturday noon in the St. Joseph hospital in Omaha, Neb., following a short illness.

Mr. Bryant's home was in Sedalia but for the past two years he had been working for the Un-

born Pacific in Omaha. He was born in Pettis county, October 13, 1891, son of the late Finney and Hannah Bryant was reared in Pettis county. On August 20, 1913, he was married to Miss Bessie Hood and eight children were born to this union, five of whom survive.

Surviving are his widow and the following sons: Norval and Dean Bryant of Omaha; Harvey Bryant, Jr., of Jefferson City; Delbert and Finney Bryant of the home; two grandchildren; a brother, Rev. John Bryant of Shreveport, La., and a half brother, William Freeland of Sedalia; two sisters, Laura Hale of Lincoln and Mrs. Gladys Bullard of Gretna; two uncles, Ed Bryant, Sedalia, route 2 and Henry Bryant, Paola, Kas.

Two children Ruby and Raymond, died in infancy and one son Robert Lee Bryant was killed in action in World War II at Foggia, Italy September 25, 1943.

Funeral services were held at 2 p. m. today at the McLaughlin chapel with the Rev. W. P. Arnold, pastor of the East Sedalia Baptist church, officiating.

Pallbearers were Lionel Clifford, Emmett Bohon, Frank Adams, Glenn Miller, James and Jesse Paul.

Burial was in the Abell cemetery.

Negro Children From Any Area
Section D - Class 19
Arthur Bronson III, son of Mr.

and Mrs. Arthur Bronson, 206 East Cooper, Sedalia.

Is Fined After Auto Accident

Wilbert Gibson, Negro, 37 years old, of Kansas City, was fined \$25.00 in the police court of Judge Jerry Trotter this morning on a charge of careless and reckless driving.

The charge was filed against Gibson after he was involved in an accident with Mrs. Genevieve Johnson, 50, of Altam, Ill., about 10:58 a. m. Sunday.

Gibson was driving a 1941 Ford sedan and stated that he skidded through a stop sign on Third and Missouri to strike the 1950 Buick which was driven by Mrs. Johnson.

The Buick was damaged on the right rear bumper and fender and in the back end of the car.

The Senate committee, already tentatively has lopped \$438,000,000 off the personal income tax increase voted by the House.

George said the committee also would go into cases where the excess profits tax pinches hard.

Earlier, the chairman told newsmen he believes a majority of the committee "will do something" about tax-exempt earnings of certain cooperative and mutual banking, savings and loan and insurance groups.

The drivers of each car told that the accident happened when the Ford stopped for another car and the other two piled into each other.

Considerable damage resulted to each car, but a settlement was made at the scene of the accident.

A 1936 Ford sedan driven by Francis J. Hoke, 19, of Ottumwa, and a 1950 Studebaker driven by Ennis Newmann, 49, 1406 East Fifth were involved in a collision about 3:50 p. m. Sunday at the intersection of Main and Ohio.

Both cars received slight damages.

An accident involving a 1946 Chevrolet, Veterans cab, driven by Albert Dove, 46, and a 1950 Chevrolet sedan driven by Edward A. Lee, 27, of St. Joseph occurred about 11:39 a. m. Sunday when Alle skidded into the car driven by Dove.

The left front fender of the cab was slightly damaged, with only slight damage to the Allee car also.

Girls Injured By One Of Carnival Rides
Two girls were slightly injured Sunday afternoon about 2:00 o'clock when a ride called the "Octopus" on the carnival grounds at the State Fair fell.

The girls were identified as Judy Vandellicht, route 2, Washington, who received a neck injury, and Mary Jane Wilson, believed also to be from Washington, who received a laceration on her shin.

The Vandellicht girl was taken to the Bethel hospital where X-rays were taken, but it was found that the muscles in her neck were only strained.

She was attended by Dr. D. P. Dyer.

Woodland Hospital
Dismissed: Mrs. F. C. Winebrenner, 1400 East Seventh.

Big Day For a Small Boy

It was a big day in the life of Louis J. Seville III, at March Air Force Base, Calif., Aug. 24, but at 18 months of age he was too young to appreciate it. Gen. Hoyt Vandenberg gave him the Medal of Honor in the name of his father, Maj. Louis J. Seville, the first airman to win it in the Korean war. Louis holds it in his hand as his mother, flanked by high ranking Air Force officers, reviews 4,000 airmen. Maj. Seville was killed a year ago near Hamhung. (AP Wirephoto)

Dies in Plunge

Geoffrey P. Baldwin (above), 60, retired U. S. brigadier general, fell or jumped to his death from the sixth floor of an office building in Rome, Italy, Aug. 25, police said. Baldwin was from Battle Creek, Mich. and was in Rome as a director for CARE, the relief organization. (AP Wirephoto)

Goraffe Poachers Kill Cops

KHARTON, Anglo-Egyptian
Sudan—(AP)—Seven persons were
killed when upper Nile police at-
tempted to arrest some Arab giraffe
hunters on charges of poaching.

The hunters had no rifles but
charged the police on horseback
with their long hunting spears.
They killed three policemen. The
police, without horses, opened fire,
killing four hunters and wounding
a fifth.

Hottest Man in World For Time

MIAMI BEACH, Fla., Aug. 27—
(P)—Bernard Seiden, 54, was
"feeling just fine" today after
battling a 109-degree temperature
that probably made him the hot-
test man in the world last week.
Physicians at Mt. Sinai hospital
were mystified over what caused
the high temperature and how
Sieden survived it with no ap-
parent harmful effects.

A temperature of 107 to 108
usually is fatal, except in some
cases of sun or heat stroke.

Seiden entered the hospital for
an operation to remove kidney
stones. Routinely, a nurse took his
temperature, got 109.

Doctors got Seiden's tempera-
ture down to 107.
It remained there for three
hours, then began to drop some-
more. In 17 hours, it was back
to normal.

Look who's getting a **Free TRUCK SAVER inspection!**

Every International Truck owner gets our **99-point truck checkup without obligation!**

Come in and take this first big step toward getting your Inter-
nationals ready for the long haul.

You'll save money, you'll save time, and you'll save trouble
... if you take advantage now of our Truck Saver Inspection.
It doesn't cost you one red cent, but it can be worth real money
to you in the months ahead.

Our free Truck Saver Inspection will also show you why
you'll be ahead to ...

Take advantage of the
complete International Truck Saver Plan

Get these benefits:

1. **Better performance over a longer truck life:** trucks are
kept in shape to do the most efficient job possible until they
can be replaced by new units.

2. **Delays in getting new parts are minimized:** by anticipat-
ing future requirements, the demand for needed parts can be
accurately estimated.

3. **Maintenance costs cut, down time reduced:** by preventing
major breakdowns, a big saving is effected in both time and
money.

4. **Truck value is maintained:** trucks kept in the best possible
condition are worth more when it's time for replacement.

Come in, get your free Truck Saver Inspection now

Call or come in for an appointment for your Free Truck Saver
Inspection... and find out how our complete Truck Saver Plan
can save you money and help keep your Internationals operat-
ing at peak efficiency right through any emergency. You'll be
way ahead to make it soon!

Stockcar Race Held at Fair In Deep Mud

'Chug' Montgomery Of Lebanon Wins in 1951 Oldsmobile 88

A packed stand of 8,000 fans witnessed something out of the ordinary in stock car racing at the Missouri State Fair Sunday afternoon when 24 cars slipped and slid over the mile oval.

"Chug" Montgomery, Lebanon, Mo., took an early lead and piloted his 1951 Oldsmobile to victory by a one-lap margin. Montgomery's was one hour, six minutes and 32 seconds.

A Treacherous Track
A continuous rain Sunday put the track in a treacherous condition, but 24 drivers braved the danger. About half that number completed the race.

Some officials favored calling the race off, but "top hat" officials of the Fair and IMCA officials said the show must go on to accommodate the throng.

The race, originally slated for 100 miles, was cut to 50 miles at starting time and during the race the fans approved a request of Gaylord White to cut the distance to 25 miles.

Tough Test on Cars
The race was a tough test on the cars as far as endurance was concerned, but speed was not in the picture. The lead car circled the track in two minutes in the first lap, then lapped another car at the 1/4 mile mark.

Trucks and graders attempted to "iron out" the mud, but more rain prevented any improvement. In the "mud battle" drivers their heads out the window to see the path, driving while wiping the mud off the windshield, or getting a bucket of water doused on their autos to help the windshield wiper scrape mud from windows.

The pole car of Bob Bandy, Liberty and Shorty Perlick, Minneapolis, finished in the money but were far behind the pace setter.

The Results:
"Chug" Montgomery, Lebanon, Mo., driving a 1951 Oldsmobile 88, first; Hershel Buchanan, Shreveport, La., in a 1951 Nash, second; Bill Harrison, Topeka, Kas., 1951 Plymouth, third; Bob Bandy, Liberty, Mo., 1951 Chrysler V-8, 4th.

How they finished after the first four: "Shorty" Perlick, Minneapolis, Minn., Oldsmobile, fifth; Don Schmidling, Leavenworth, Kas., Plymouth, sixth; Bob England, Lebanon, Plymouth, seventh; Art Dishinger, Kansas City, Ford, eighth; Chris Skadal, Des Moines, Iowa, Oldsmobile, ninth; John Pitt of Kansas City, Ford, tenth; Art Combes, Emporia, Kas., Oldsmobile, eleventh.

Williams Says Ball is Deader

By Joe Reichler
CLEVELAND, Aug. 27.—(P)—Ted Williams, the only active major leaguer to top .300 in ten successive seasons, says that the ball is deader today than it has been for several years.

"I don't care what anybody says," insisted the pride of the Boston Red Sox just before the important doubleheader with Cleveland yesterday. "I'm convinced the ball doesn't have the life it had last year or the year before. And what's more, it is getting deader all the time."

Ask any pitcher and he will swear its getting more lively. "Oh, I know what those guys will say," he said.

"There goes that popoff Williams alibing again. Just because he isn't hitting .350, he's blaming the ball."

"Let 'em," Ted went on. "I said I thought so early in the season and now I'm sure of it. Maybe the material they use now is not as good because of the war, or maybe they've been keeping the old balls on ice. I don't know the reason, but I'll bet the ball is deader."

Williams then proceeded to weaken his argument by blasting five hits as the Red Sox split the twin bill with the Indians. That raised his current batting mark to a respectable .324, fourth high in the league. Ted, as usual is among the leader in practically all slugging departments including home runs (26) and runs batted in (109). He is behind his pace, however, of previous years. His lifetime batting mark for nine years (not including 1951) is .350 during that time he hit 293 homers and drove in 1,135 runs.

Ted, who fractured his left elbow when he crashed into the wall making a catch in the 1950 All-Star game, refused to use that as an alibi for his current below-Williams-par season. The 32-year old outfielder insisted he is not slowing up.

"The elbow feels fine now," he said. "It tightens up a little on cold days. It bothered me only in the beginning of the season."

"Frankenstein Monster" To Appear In Person!

On Wednesday and Thursday nights, August 29th and 30th, the 50 Hi-Way Drive-In Theatre, located two miles west of Sedalia on Highway 50 will present Boris Karloff's stand-in, direct from Hollywood, in person as the "Frankenstein Monster," according to an announcement made today by Ed Kirk, manager. Mr. Art C. Dornier who played the stand-in for Boris Karloff in the picture "The House of Frankenstein" will appear in person in all the grotesque make-up that he used in his appearance in the picture.

The manager stated that there would be two performances each night by the "Frankenstein Monster" in addition to the regular screen program which includes "The Crystal Ball" starring Ray Milland and Paulette Goddard. A comedy featurette, "The Brats", starring Stan Laurel and Oliver Hardy will also be shown. Mr. Kirk stated that in keeping with the policies of the 50 Hi-Way Drive-In Theatre that there would be no increase in prices for this added attraction.

Arrangements have been made to furnish an ambulance to escort the "body" of Karloff's stand-in to the theatre where it will be carried to the roof of the snack bar building. The ambulance will remain at the theatre, should there be an emergency during the performance of this horror show!

8 THE SEDALIA DEMOCRAT—Sedalia, Mo., Mon., Aug. 27, 1951

Key Combination in Yankee Win

Outfielder Gene Woodling, Pitcher Ed Lopat, Outfielder Mickey Mantle and Pitcher Allie Reynolds (left to right), of the New York Yankees, get together in the dressing room following a 7-3 victory over the Cleveland Indians at Cleveland, Aug. 25. Woodling drove in three runs on two singles, while Mantle, recently recalled from Kansas City, a double and home run to drive across two runs. Lopat received credit for his 17th victory but needed help from Reynolds in the eighth inning. (AP Wirephoto)

Not Excited Over Giants

Dodgers Seem Not Disturbed Over Their Late Surge

By Will Grimsley

BROOKLYN, Aug. 27.—(P)—Do not get excited about this late surge of the New York Giants, Brooklyn manager Charley Dressen admonished today — his Dodgers aren't.

"There are no jitters on my ball club," the chief of the Brooklyn Braves department said. "The spirit is fine, and we're going to win the pennant."

There certainly was room for mild doubts — everywhere except on Flatbush avenue — after the red-hot Giants, extending their winning streak to 14 games, chipped another chunk yesterday off the Dodgers' once imposing lead.

A couple of weeks ago Brooklyn enjoyed a cushion of 1 1/2 games and appeared home free. Today just six games separate the two clubs at the top of the National League.

Brooklyn has 32 games left to play, the Giants 30. They have four left with each other, two at the Polo Grounds next Saturday and Sunday, and two at Ebbetts Field Sept. 8-9.

"Those are the series," Dressen said. "I promise the Dodgers will do better than in the last series." The Giants swept a three-game set at the Polo Grounds Aug. 14-16.

"We're playing the same kind of ball we've been playing all along — winning three or four games, losing a couple here and there," the Dodger manager added.

"We've had some tough luck. Robinson and Reese were out for awhile. When they came back it was hard for them to get started again. That's what hurt us. And remember we lost Roe for ten days."

"Hodges has been in a slump and Pafo is just now beginning to hit. So add it all up and you can see we were due to lose some games, but it's not likely the situation is going to be permanent."

"The boys are coming along okay now and we'll stick in there," Jackie Robinson, the team's leading hitter, was out for a while and a bum back and a leg ailment sidelined shortstop Peeewe Reese. Preacher Roe, the team's ace lefty, was out ten days with a lame pitching wing.

Gil Hodges, off on an early season home run binge, has tapered off considerably. Andy Pafo has been hitting only at a .250 clip.

Dead Deer is Found in Truck

ST. LOUIS, Aug. 27.—(P)—A dead deer was found in the truck of two St. Louis men who said they were returning from a squirrel hunting trip when they were stopped for an alleged traffic violation yesterday.

Roy B. Graham, 27, and Elbert L. Payne, 30, held for illegal possession of wild life, said they shot the animal after it apparently had been struck and injured by a vehicle south of Festus, police reported.

They were booked suspected of carrying concealed weapons after a small caliber rifle and pistol were found in the truck. Graham also was booked on a charge of running a stop sign and driving a truck with no identification on it.

Giants Pull Up Closer to The Dodgers

Doubleheader is Split By Braves And Cardinals

By Ralph Roden
(Associated Press Sports Writer)

The New York Giants' sensational 14-game winning streak today projected the National League pennant race smack into the limelight with the American league's right flag chase.

Manager Leo Durocher's pennant-hungry Giants swept a doubleheader from the Chicago Cubs yesterday, 5-4 and 5-1, to chop the once succulent lead of the Brooklyn Dodgers to six games. The Dodgers split with the tail-end Pittsburgh Pirates, winning the nightcap, 4-3, in ten innings, after blowing the opener, 12-11.

Meanwhile, the American league race remained in status quo as the Cleveland Indians retained their one-game lead over the New York Yankees by splitting a doubleheader with the Boston Red Sox. The Red Sox, trailing by five games, won the first game, 5-0, but the Indians took the second, 2-1. The Yanks divided with the Chicago White Sox, losing the opener, 3-2, and winning the nightcap, 8-6.

In other American league games, the Washington Senators swept a pair from the St. Louis Browns 9-3 and 9-1. And the Detroit Tigers defeated the Philadelphia Athletics, 6-0.

The remaining National league games saw the St. Louis Cardinals and Boston Braves and the Philadelphia Phils and Cincinnati Reds split doubleheaders. The Cards beat the Braves, 12-10, but lost the second game, 9-1. The Phils edged the Reds, 2-0, after Cincinnati had won the first game, 4-2. Two home runs by Wes Westrum and one by Don Mueller accounted for all of the Giants' runs in their first-game triumph. Westrum won the game with a two-out homer in the ninth.

Jim Hearn limited the Cubs to six hits in the nightcap as the Giants compiled their longest winning streak since the 1936 champs won 15 straight.

Lefty Bill Wright blanked the Indians on five hits in the opener at Cleveland before 75,997 fans, largest crowd of the season. Bob Feller, gunning for his 21st victory, went down to his sixth defeat.

The Indians collected only three hits off Leo Kiely and Ellis Kinder for the nightcap but two of them were home runs by Luke Easter and Sam Chapman. Bob Lemon, with help from Mike Garcia, gained his 16th victory.

League Leaders

DRESS DECORUM—Trick costumes like Beverly Baker's too-short skirt and too-tight top, left, and Gussie Moran's lace panties were barred from the national women's singles at Forest Hills, N.Y. President Russell B. Kingman of the United States Lawn Tennis Association insists upon more good taste, with emphasis on competition, instead of questionable fashion displays. (NEA)

VEECK VANITIES OF 1951—Bill Veck was swamped by letters from fans throughout the country who wanted to run the Browns for one night. Those making the request were sent passes for the game with the Athletics they "managed" from a section of the grandstand. The sign is one of several held up when the "managers" made a decision. (NEA)

Setback For Semi-Pro Games

WICHITA, Kas., Aug. 27.—(P)—Wet weather is handing the National Semipro Baseball Tournament a setback.

Yesterday rain forced postponement of a five-game schedule—the first time in the tournament's 17-year history that a Sunday program was washed out. The games were rescheduled for today.

Rain also caused postponement of two games Saturday night and a five-game card last Thursday.

Today's schedule (times central standard):
11 a. m.—Lafayette, Ind., Red Sox vs. Lowry Field, Colo., (third round, loser eliminated).

1 p. m.—Mendon, Mo., vs. South Amboy, N. J. Briggs (third round, loser eliminated).

3—Kessler Field, Miss., vs. Perrysburg, Ohio.
5:45—Arkansas City, Kas., vs. Superior, Neb.
8—Wichita Boeing vs. Fort

Mystery Farm Pictures in Central Missouri---

Is this your farm?

Most of the readers of the Democrat-Capital have been following this series of the weekly Mystery Farm pictures with considerable interest. The pictures that appear in this space in Monday's Democrat and Tuesday morning's Capital were taken sometime ago by an aerial photographer. The pictures were not shot with the knowledge of whose farm it was. It was a random job: a picture here and a picture there.

Special Program On Agriculture

A special emergency agricultural program has been announced by the Missouri State Production and Marketing Administration Committee in Columbia. This program is especially designed to assist farmers in the seeding of emergency pasture, winter cover crops, and legumes, and in establishing permanent pasture in the state's disaster area.

Payment rates to farmers will cover approximately 80 per cent of the cost of the practices carried out. The special program is restricted to farms on which fields of legumes and permanent pasture have been destroyed by flood.

All eligible farmers are urged to contact their County PMA Committee and make their request for assistance by September 1.

The State PMA Committee anticipates that additional funds will be made available to carry out other rehabilitation practices in the disaster area; however, no funds are available at this time. Authority for these special seeding practices was granted because of the emergency nature of the seeding program and the close planting deadline date of October 1, 1951.

Busy Stitchers At Lopp Home

The Busy Stitchers club met at the home of Mrs. Curtis Lopp. The study hour was opened with a prayer by Mrs. Curtis Lopp. Roll call was answered with a household hint by seven members and two visitors, Miss Dorothy DeHaven and Mrs. Osborne of Sedalia.

After a contributive dinner the afternoon was spent in sewing and games with the award going to Miss Dorothy DeHaven.

On Friday night, August 10, the club entertained their families and served home made cake and ice cream at the home of Mrs. Willie Anderson. There were 21 present.

The club welcomed Mrs. George Anderson in the club as a new member. The club will meet in September with Mrs. Jimmie Pote.

PLOWING CHAMPION TALKS CONSERVATION

William Humphrey, Albany, Mo., gives agricultural leaders some pointers on how to plow after winning the National Contour-plowing Contest. A crowd of 50,000 people gathered at Bethany, Mo., to see the nation's best plowmen compete. From left to right: Fred V. Heinkel, president, Missouri Farmers Association; Humphrey, a member of the Gentry County MFA; Hugh H. Bennett, chief, U. S. Soil Conservation Service; and Walters S. Davis, Jr., president, National Association of Soil Conservation Districts.

Former County Teacher Guest Of White Family

Guests last week of Mr. and Mrs. Herman White or route 5, were Mr. and Mrs. Lane R. Van Orman of Petersburg, Mich. Mrs. Van Orman is the former Miss Dorothy White and formerly taught in the rural schools of Pettis county.

Mr. and Mrs. Van Orman have spent the summer in Alaska visiting Mr. Van Orman's parents, Mr. and Mrs. Ed Van Orman, near Nimitchik, Alaska. Nimitchik is on the Kenai Peninsula and was settled by Russian colonists 125 years ago.

While there they visited Anchorage and fished in the Kenai

river for salmon and rainbow trout.

En route to Alaska Mr. and Mrs. Van Orman went through the Black Hills to view the Mt. Rushmore, then to Yellowstone National park and to Spokane, Wash., to visit Mrs. Van Orman's nephew, J. L. Bohanan at Fairchild Air Base. They entered Canada at Kingsgate, B. C. and from there drove through the Canadian Rockies to Lake Louise near Banff, B. C. and then to Casper, B. C.

Mr. and Mrs. Van Orman drove over the Alaska Highway better known as the Alcan to Tok, Alaska.

While in the Yalon territory they visited a native Indian village and fished at the Denadeash lake.

Mr. and Mrs. Van Orman will

return Monday to Petersburg, Mich., where Mr. Van Orman teaches industrial arts and drivers training in the Petersburg high school. Mrs. Van Orman teaches at Whiteford Center school near Petersburg. Democrat class ads get results! Phone 1000.

"I think the taxidermist used a little too much alcohol in curing him!"

Jap Treaty Draft Disturbs Singapore Chinese

SINGAPORE (P)—A large section of the Chinese community in Singapore feels frustrated by terms of the draft Japanese peace treaty—they see no hope in these terms of recovering large funds taken from them by the Japanese as donations during the occupation.

Tay Koh Yat, president of the Chinese War Damage Claim Committee, said "it is unfortunate that not a word is mentioned in the draft concerning the payment of the money." He remarked that the Singapore government had promised many years ago to forward this claim to authorities concerned.

Awards Made To Schools on Their Exhibits

Crawford And School of Osage The Top Winners

Crawford County placed first in the best school exhibits in the elementary division and School of the Osage was rated first in the high school division of the Educational Exhibits at the Missouri State Fair according to the report of the judges issued today.

Crawford County was awarded eight blue and one red ribbon for the maximum of nine entries possible in the elementary division. School of the Osage placed 77 points in capturing first place among the high schools. The Sedalia public schools ranked second in both the elementary and high school divisions. Pettis County was third among the elementary entries and three exhibitors tied for fourth place. They are Monticau County, School of the Osage and the Hubbard School of Sedalia. Fifth place was won by the Bethel School of Morgan County. In the high school division the Ilmo-Fornfelt school of the Southeast Missouri was third and University City in St. Louis County was fourth.

County and school programs were presented in the Women's Building Sunday morning, August 19, from 10 to 12. Crawford County was awarded first place for the program presented by their county wide elementary school chorus. Pettis County received second place for a fine patriotic program presented by pupils from the Scott rural school. Third place was won by the elementary schools of Perry (Ralls County) with a skit from the book, The Adventures of Tom Sawyer. The Superintendent of Schools, Elmer Harpham, spoke briefly to the group concerning the Mark Twain Foundation which has been established at Perry. The Ralls County town is only seven miles from Florida (Missouri), the birthplace of Mark Twain.

Judges for the Educational Exhibits were Dicy Bowers, Wheaton; Dorothea Phares, Savannah; Corinne Jackson, Galt; N. B. Grinstead, Warrensburg; F. E. Wolverton of the State Department of Education, Jefferson City, is superintendent of the Educational Building and A. W. Bleckschmidt, also of the State Department of Education, Jefferson City, is Assistant Superintendent.

No Head Colds Allowed
OMAHA—(P)—Railroad travelers with head colds would have to give Omaha a wide berth if authorities should decide to dust off one musty ordinance on the city's books.

It requires railroad conductors to wire ahead if any passengers show signs of the sniffles or other symptoms of contagious disease. Another zany law cited by Dr. Edwin D. Lyman, acting city-county health director, permits arrest of a householder who is unfortunate enough to have a damp basement.

Dr. Lyman says he's not prepared to try to enforce these outdated ordinances.

If you want to buy, sell, rent or trade, use the Democrat class ads. Phone 1000.

Science Discovers Amazing Way to CURB ARTHRITIC, RHEUMATIC Suffering---At Amazing Low Cost!
At last, medical science has discovered an amazing new and better formula to stop the torturing pains of arthritis and rheumatism. Unlike so many remedies which promise only temporary relief and cost \$3 to \$5 ... even \$10, this sensational formula, which has actually produced long-lasting results in countless severe cases, is offered to you under the name of **PRUVO** for only \$1.50. Important to you is the fact that PRUVO is not just another pain relief. Yes, PRUVO stops pain amazingly fast, but in addition, it goes to work in the red, swollen, inflamed joints where arthritis does its worst crippling damage. Acting on your sore, stiffening joints, PRUVO often REDUCES THE SWELLING ... RELAXES THE JOINTS ... and allows you to move, work and play again without crying out at every step. Hailed by leading authorities after vast laboratory and clinical tests, PRUVO is safe, non-habit forming and easy-to-take in convenient tablet form. You can get all the wonderful benefits of amazing PRUVO Therapy right in your own home. To be sure that every rheumatic and arthritis sufferer in America who needs PRUVO will have the blessings of its amazing anti-arthritis action, the PRUVO manufacturers offer it at a price everyone can easily afford, and make you this 100% GUARANTEE: PRUVO must give you the fastest results, and the greatest, longest-lasting improvement you have ever known, or it costs you not a penny! So, no matter what you have spent on high priced tonics or drugs, no matter what you have tried or how long you have suffered ... ask your druggist for PRUVO. You, like thousands of others, may be enjoying a happy, active life again ... often after just a few days ... thanks to PRUVO. Get PRUVO at Main Street Cut Rate Drugs only \$1.50!

Make Sensational REDUCING TEST
NO-RISK
* All you do is not Winley Wafer whenever you crave food. They satisfy hunger; you eat less. Start today, and in a week you'll be thrilled at the difference in your weight. But be the judge yourself.
